Department of Arts:

2016-17

Lecturers through PowerPoint presentation were implemented. As college is affiliated to Karnataka University, the college adheres to syllabus notified by university and even faculties of college have been suggesting their opinions to change the syllabus at regular intervals. For enhancing practical knowledge faculties have been assigning tasks in the form of assignments, seminars and group discussions. Conducted unit tests after completion of each chapter in core subjects, on spot problem solving techniques are adopted in classrooms.

Subject wise lectures are conducted and resource persons from various fields were being invited for talks on subject related topics to explore students with the experience knowledge.

2017-18

Additional study materials and journals were made available in college library, to gain practical experiences beyond curriculum. Seminars and workshops of subject related concepts were being held.

2018-19

To develop the skills of students, value added courses were implemented. Conducted various workshops on Indian political environment, Geography and Indian Economy as these are reflected in syllabus.

2019-20

Project works are done for students to acquaint themselves with practical knowledge. Assigned practical oriented tasks for students based on syllabus.

2020-21

Established Commerce Lab. Provided competitive exam related study materials in the library. Teachers started using power point presentations more frequently in the class room for better understanding of the subject.
