Report

Workshop for English teachers

The department of English, K.E. Boards First Grade Arts and Commerce College had organized a three days workshop for the teachers teaching English for class 5th, 6th, 7th, and 8th in KEB CBSE school Malamaddi, KEB CBSE Kelageri, KEB Malamaddi, KEB High school, KEMS FORT, VHS Dharwad, KNK Dharwad, KNK high school of Dharwad on February 25, 26 and 27th, 2021 at the college premises. In all 19 teachers from above schools attended the workshop.

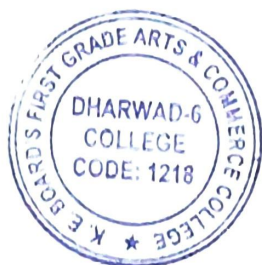

The teachers had been intimated earlier to identify the topics that they find difficult while teaching. It had been observed that teachers find bottlenecks at certain points in a lesson whether it is prose or poetry and many a time tend to skip teaching that part and jump to the next one. To avoid such a situation, it was planned that the teachers would attend the workshop with a list of issues that they find difficult

while teaching. Some teachers had sent the list in advance to the organizers.

The Resource persons, principal M A Siddhanti, Smt. Vidya Kulkarni, Smt. Roopa Chandragiri Dept of English who guided the teachers at workshop deal with each item that was listed as difficult and explained the concept to the trainees. They also explained how such topics should be taught to the students. " This helped the trainees to a great extent as we can go to the class with confidence and be ready to answer any question posed by the students. There is no need to skip the topic that had become stumbling blocks "said a teacher who attended the workshop. Was to prepare the teachers to be able to lay a strong foundation in English learning for students at the higher primary level so that the students can go ahead with their studies in English language easily at higher classes. Apart from just dealing with the lessons in the text books the trainees were also guided to encourage the students to read books beyond the text books and thus enhance their interest in English language. The trainee teachers were asked to develop the habit of reading other books in English so that they can easily handle lessons as and when the syllabus or text books change and new poems, plays etc are included in the new syllabus.
