ELT Courseware

ELT (English Language Teaching) is a widely-used teacher-centred term, as in the English language teaching divisions of large publishing houses, ELT training, etc. English is a language with great reach and influence; it is taught all over the world under many different circumstances. With years of professional experience in materials and curriculum design and writing, including materials published by a major international educational publisher, ELT Support Services is ideally placed to produce tailored materials for your institution's specific needs. By using ELT Support Services for your materials development, you gain the following advantages:

- ✦ Fresh ideas
- ✦ Materials to your institution's specifications
- ✦ Professional materials with your institution's branding
- ✦ More flexibility than using your teachers - no need to take them off class
- ✦ Flexible licensing enabling adaptation to suit changing needs and legal photocopying
- ✦ Take advantage of the latest research and developments in second language acquisition and materials design
- ✦ Avoids the generic, one-size-fits-all nature of using commercially available materials exclusively

Project coordination

ELT Support Services can coordinate the production of materials specific to your institution, through the following processes:

- ✦ Scoping and producing specifications
- ✦ Templates to ensure consistency
- ✦ Coordination of piloting, technical review and validation
- ✦ Quality control
- ✦ Setting up easy, efficient and cost-effective systems for continuous improvement, that will ensure continuous high quality and relevance even after our work is finished .

Curriculum areas covered

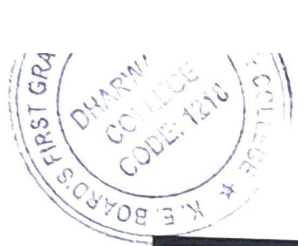

ELT can produce materials in the following areas:

- ✦ Localized materials suitable for anywhere in the world
- ✦ General English (straight or with a twist!)
- ✦ Single skill (conversation, academic speaking, listening, pronunciation, reading, business writing, writing in general, etc)
- ✦ English for Academic Purposes
- ✦ Exam preparation (eg IELTS, the Cambridge exams, TOEFL etc)
- ✦ Business English
- ✦ English for special purposes (ESP), eg English courses articulating into, or concurrent with, academic courses
- ✦ Professional English, for example courses specific to a particular company, profession or industry

2019-20.

REPORT

Our esteemed College, established the Language Lab in the academic year 2016-17(12/01/2017) after realizing the need and importance of Language Lab, which was the demand of the Optional English students too. At the beginning it was open only for Optional English Students to teach Phonetics, with the kind support of Our Principal, it was open to all our students of B.A and B.Com I ,II and III for the academic year 2019-20. The college administration and the Principal supported whole heartedly for the establishment of the Language lab.

The object behind the establishment of the language lab was to facilitate language skills for the students of English Department. The language lab is helpful to the students for the development of Communication Skills and written English. The software of the lab ETNL has included the Language skills and World famous Biographies, Autobiographies, Mock interviews, seminars and Essays and many more. Language lab runs after the college hours i.e 2.00 p.m. to 3.00 daily for 12 weeks duration, with 12 systems, one will be of ETNL Teacher and others are of ETNL students. Teacher can monitor the screens of students .Language lab facilitates the students in learning phonetic symbols, sentences with stress and intonation, the tone of voice and the nucleus for the effectiveness of Spoken English for the overall

development of the students in general and specific development in soft skills and communications in particular. There are videos and audio installed in the software for the development of communicative skills. The laboratory is accessible to the students during all working hours of the college for the development of their communication skills.

60 students were divided into batches monitored by the lecturer in charge with the assistance of Lab instructor. Time table of Language Lab is displayed on the Notice board of the Institution. Attendance of the enrolled students is taken regularly. After 12 weeks , Lab Coordinator with the help of English faculty in charge conducted group discussion, Mock interviews and seminars and after the completion of 12 weeks training certificates were distributed to all students

Students expressed their joy and gratitude towards the institution for such modern facility.
