### SANKHSHOBHA - One-Act Play

Sankshobha which means GrownDswell. This drama shows our future generation will face cruel fatalness due to our needs. This is a drama built on the basis of virtual problems with the touch of science. Which has the theme as Discussion about Plastic? The story is wanders between present and future through the Science's possible imaginary baby TIME MACHINE!

After TWO THOSAND years, the paradise like BHARAT becomes barren land due to overusing of Plastic. On that ambience the play begins with the dialogues of two characters named POLLUTIONS. Then it slowly shows about people's pain, burden for breath, death etc.

Then those for spent people travels to the past through the time machine in the process of finding reasons for their difficult life; which is our present. Here, they saw present fact of plastic usage, unscientific wastage disposal. Our off springs are watch our mistake then they again goes back to the future. After reaching their present they are going to the death due to lack of oxygen. Before that they are give a message to the us by setting the Time machine to the present that "You only have the amendable opportunity to correct it!" By this the act tries to implement the Awareness in the people.
