### ANNUAL E- GOVERNANCE REPORT

E-Governance in the present scenario has become the need of the hour, especially in the field of education. In order to fulfill its requirement at our Institution, The Governing Council has duly approved the following services implemented in the institution with regards to E-governance.

Sl No	E-Governance	Area Of Operation
1	Tally ERP-9	The Legal software installed in order to facilitate financial and accounting requirement of the institution, which helps in inventory management as well.
2	CCTV	CCTV surveillance system has been installed to strengthen campus security. This facility offers a comprehensive range of solution to secure campus infrastructure effectively. One can also access these cameras using cellular device for effective surveillance.
3	E-Library	The central library is fully automated using e-lib Technology, where user can search the book and its availability. It also helps with keeping the record of all the books available in the institutional library.

4	Library Card Generation and Barcode Reader and Printer.	The automated software installed in the library facilitates with library card generation and bar code reading\printing functions for the effective functioning of the library.
5	SMS Notification Service.	The Institution notifies important notification through text message service, which will be sent to the registered phone number of the student.
6	Examination fee payment, IA Marks Updation, Previous year Question paper.	The Institution regularly files examination forms of the students online and also updates the IA Marks in the university portal.
7	Institutional Website	The Institution has its own website in order to share the academic, Infrastructural and other important activities conducted in the campus to the stakeholders.

The above mentioned E-Governance facilities existing in the institution and are well maintained. The institution also ensures timely Updation of these services as and when required.
