Report:

Self-management is our ability to manage our behaviors, thoughts and emotions in conscious and productive way. Someone with strong self-management skills knows what to do and how to act in different situation .for instances, they know how to control their anger when the umpire unfair calls child out at a little league game. They know how to avoid distractions while working at home, so they can maintain focus and stay productive. They know what they need to do to achieve their fitness goals and they follow through. Women's are manage job and self together maintain together and self control in both the places.

As a resources person Dr. Anupama.K.M professor in management studies of R.V. Institute of Management and Research Bangalore. Gave a special lecture organized by K.E.Board's First Grade Arts and Commerce College on in association with K.E.Board's Dharwad "Professional Development an Self Management" in association with K.E.Board's management on February 18,2020. Shri. Arun Nadagir, Chairman K.E.Board's management presided over the function. Dr.Ashok Chachadi was the Co-ordinanator of this function Prof. M.A.Siddhanti, principal of K.E.Board's First Grade Arts and Commerce College, Were present in the function many invitees were attended and graced the function.
