Dear Sir,

**Re: Request for permission to conduct free coaching
classes in your esteemed institution.**

We are an organisation helping the unemployed youth who are seeking jobs in Life Insurance Corporation of India.

In our Division a recruitment is going to take place for the post of Assistants and for this test is fixed on 30th & 31st October 2019. A number of unemployed youth have applied for this job. To help these applicants, who are all graduates, we want to conduct free coaching classes and we want to conduct classes from 25-09-2019 to 25-10-2019. We expect more than hundred applicants, from Dharwad-Hubli and nearby places, are likely to attend the class.

We earnestly request you to spare one of the class rooms to conduct the coaching classes. Expert teachers are coming to conduct the classes. We also suggest that interested students of your institution can also make use of this opportunity and attend the classes.

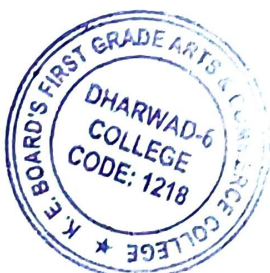

We once again request you to allow us to conduct the free coaching classes and facilitate us to help the unemployed poor youth who are seeking job in LIC.

Thanking you,

Dharwad
