DISTINCTIVENESS OF THE INSTITUTION

Our college is committed to effecting a transformation in society for the better, and the institution emphasises both the social and economic strains of education. In our college not only are innovative methods of teaching imparted, education at the institution is also marked by its singularly inclusive character. Students of the college are inspired to excellence, and while academic performance is given utmost importance, the staff members of this institution take greater pride in the role they play in reshaping the personality of the young minds. It is to this effect that co-curricular activities, including sports, are actively encouraged, which ensures that the college succeeds in its vision to groom and prepare students for the many challenges that are bound to lay strewn once they step beyond the threshold. While remaining inextricably entwined to its traditional roots, the administration of the college has ensured to keep step with the times, as can be gleaned from the state-of-the-art facilities that the students are provided. The infrastructure of the college is constantly upgraded, and use of technology advantageously leveraged to enhance the learning experience. Nevertheless, the defining feature of the institution is its thrust on value-based education, which results in students leaving the campus with their horizons markedly widened.

Distinctive features of institute:

Nearly 98% of the students at the college hail from communities classified under Scheduled Castes / Scheduled Tribes (SC/ST) and OBC. An entire bookshelf is dedicated at the college for the benefit of the SC/ST students, while others from the more vulnerable sections of society are offered additional motivation with the promise of the entire set of books for an academic year for proficiency in studies.

Although KE Board's College is beset, like many private educational institutions of the country, by financial woes, the institution is always mindful of its commitment to its many employees, each of whom is paid salary every month without fail. In addition, each year, their salary is given an increment.

The college is commitment to inclusivity ensures that no deserving student, no matter the economic constraints, is denied the education he or she deserves. This is a reflection of the college's belief in the principle that education is primarily a service. It is this belief that has prompted the management to offer free accommodation to those who need it.

Cooperative and Visionary Management:

The Principal of the college, with years of experience in the bag, is both a leader and mentor to the faculty, where young lecturers learn from their older colleagues, on whom the youthful excitement of the former rubs off, pushing each to aspire to excellence.

K.E. Board Institution existed before India attained Independence, it is to no one's surprise that the institution's destiny is entwined with that of the nation. The role that the institution essayed in the struggle for freedom is an integral part of the rich and illustrious legacy of KE Board's College. The institution has continued to play a role in nation building, and will do so for the entirety of its existence. The number of alumni currently serving in the armed forces, police and the bureaucracy attests to the sense of patriotism that the college infuses in its student body.

Toppers in academics are feted at the 'highest scores' event, while achievers in sports are felicitated as 'Veeragrani'. To deserving students in each class, a dictionary is awarded. A trait that distinguishes each student marks him or her out for this unique honour.

The NSS wing at the college is always active in order to imbibe strong social values in our students.

The institution takes up significant career guidance programmes to guide students, particularly those from the rural pockets, chalk out the path they wish their life to take.

The mentoring scheme has developed systematic roadmap for improving different aspects of personality, communication skills, presentation skills, teamwork, and hone leadership qualities. In addition to all these, students are also taught how best to give their resume the much needed burnish.

The college has constituted an Anti-Harassment Committee to prevent sexual harassment.

The students are provided requisite training that prepares them for the rigmarole of placement, and helps them face interviews with confidence.

Various personality development programmes and camps are conducted to monitor the health of girls on the campus, and ensure they receive requisite medical attention.

Eminent personalities such as Dr R. G. Akkihal, Chairperson of Akkihal College, Dr Pramod. Gai, Former Vice-Chancellor KUD, Dr Gururaj. Karjagi, a renowned Educationist, add to the majesty of various ceremonies at the college, with their inspiring speeches, and the sheer force of their personalities, which inspires the student body.

The students complement the lessons learnt within the confines of a classroom with activities undertaken for the betterment of society. Volunteer blood donation camps are held regularly. The members of the group that organises this camp can always be reached out to in case of emergencies.

The institution encourages the students in the field of art and culture. Many of our students are small screen artistes, directors, while a few have even shone on the big screen. Among these stars are alumni such as Ranjita Jadhav, Nagratna Patil and Chidambar Kulkarni.

Their rustic beginnings have not stopped students hailing from the villages from reaching their goals. Savitri. Gubenkoppa, Pushpa Patted are among those who have bagged a gold medal in the university exams. More than 20 students have scored 100/100 in different subjects.

During the last five years there are 112 students who have completed their post-graduation in various courses like MA,MLIS,MBA, MSW, Masters in Journalism B.ED, PhD, professional courses, NET SET clear, Govt job, cleared in competitive exams one of our students has cleared UPSC prelims.

Teachers are sent to seminars symposiums and workshops regularly to enhance their quality.

To develop skill in language "SAAHITYA BAHAVAN" is established. It enhances the knowledge among the students regarding the work of various poets and authors from 19th century poets and authors to the present day writers. The Bhavan contains the portraits of various authors and poets from 19th Century to present day poets and authors.

Another important distinctiveness of our institution is we have a well-equipped gymnasium that is being granted to our institution by Mr. PRAHALAD JOSHI, Member of Parliament has contributed financial assistance under M.P. Fund of Rs.5.0 lac.

To,
The Principal
KEB's First Grade Arts and Commerce
College, Dharwad.

Date: 17/03/2017

Sir,

I had the opportunity to visit your college on the occasion All India Folklore conference conducted jointly by department of Folklore Karnatak University and K E Board's Degree College Dharwad. The conference was conducted very effectively. All the arrangements made were of very good standard. The college campus is maintained very neatly. The students and staff of the college were disciplined and their participation in all the activities of the conference was commendable.

One more thing I would like to mention here is that the students of this college are from rural side and they can cherish of taste of Folklore better than the students of urban area. Folklore is a part and parcel of their Culture where they live with it and keep it alive for the days to come.

I hope in the days to come the college would grow to greater heights in the field of Education. I wish all the best to all concerned.

Yours sincerely

(Dr.P.B.Gai)

To,
The Principal
KEB's First Grade Arts and Commerce College,
Dharwad

I am very much thankful to the organizing committee members of All India Folklore conference. The event was organized by this college in collaboration with Folklore Department of Karnataka University Dharwad.

As an artist I feel that all art lies in Folklore only, Hence the conference is a meaningful activity undertaken by Karnataka University and K E Board's Degree College in the best interest of students and public at large.

The students of this college are more from rural side. These students should study rich cultural heritage of our past and take it future, to keep the kannada language and art growing . I request the university authorities to organize such kind of programme in all colleges. The university along with college should take up research work in Folklore and come with documents that would guide the future art and literature.

I once again thank the authorities of Karnataka University and K E Board's Degree College for having taken up this task and organizing systematically.

Yours Sincerely

To,
The Principal
KEB's First Grade Arts and Commerce College,
Dharwad

I had opportunity to see the “STREET PLAY” Organized by the students of K E Boards First Grade Arts and Commerce College Dharwad on 07/01/2022.

The theme of the Street play was “Awareness regarding Health and Hygiene”. The programme was organized in the slum area and adjoining the college. The name of the area is “Gollar Colony” good number of people had gathered to witness the street play. The street play was directed by Shri. Sikandar Dandin. All the students participated were well trained and gave their best performance. On the whole of street play could send the message to the people and created awareness about cleanliness and Hygiene of their families.

I wish such plays should be encouraged by students in every locality they live. I must be thankful to staff and students for having given me a chance to witness and address the people gathered.

I wish them all the best.

Yours Sincerely

Ref No.: KSHEA/2017-18/

Date: 30.03.2017

To,
The Principal,
KEB's First Grade Arts & Commerce
College, Dharwad.

I had the unique opportunity of visiting this college as the chief guest on the occasion of inauguration of the college union and cultural activities on 30.03.2017. I was very much impressed by the way the whole programmed was conducted by the students themselves.

I came to know that most of the students in this college are from rural area. After going through the report of the previous year, I felt students have achieved greater heights towards moulding their academic careers.

My advice to the students is, be regular to your classes, do the work of the day on that day itself, but also take care of your health and participate in the Sports and cultural activities of the college. You can definitely come up in life if you follow these simple principles.

The College has a vast playfield and has a good library with good collection of Books. The atmosphere in the college is congenial for students to work hard and come up in life.

I wish the college all the Best in the days to come.

Yours sincerely,

To,
The Principal
KEB's First Grade Arts and Commerce
College, Dharwad.

K .E. Board's First Grade Arts and Commerce College Dharwad has conducted "JOB MELA" (Job fair) on 17-04-2016 in the college campus only. I had the opportunity to participate and inaugurate the Job fair.

This Job fair was organized basically for all Degree holders (Technical and Non-technical). This college has a good strength. Most of students coming to this college are from rural areas of Dharwad District. The Job fair is really use for the rural students who can't attend interviews at far off places. The total number of companies participated in this Job fair were belonging to varieties of work, namely clerks, computer assistants, Engineers (BE and Diploma) Chemical Industries etc in all 36 companies had come forward to recruit graduates of different categories. Finally candidates got Jobs in this Job fair.

The good thing about this Job fair was the college had not kept or fixed any entrance fees. It was free for all qualified young people to come and participate.

Job fair was organized very systematically by the college. The staff and students of college participated in the job fair and maintained discipline in all respects. I hope the college would organize many more Job fairs in the days to come. I wish the college all the success in their future.

Yours sincerely

To,
The Principal
KEB's First Grade Arts and Commerce
College, Dharwad.

I'm happy to associate myself with this institution which has been striving hard to cater the needs of younger generation and in particular to graduates. This is the second Job fair being conducted by this college in collaboration with Logic Computer Center Dharwad.

This time more number of companies was invited from Bangalore, Goa, Hubli-Dharwad and Belguam. This made the participants to try their chance to get employment.

The other important thing is there was no entrance fees fixed for participants and it was kept open to all the qualified graduates of all streams. Mr. Mahesh Bhat of Logic Computer Center Dharwad must be thanked for collaborating with this event and making it a successful one. Some of the companies conducted written test and interview on the same day and finalised the list of persons to be appointed.

The college had made necessary arrangements for conducting written test for candidates in very systematic manner. This job fair is more useful for the rural students who can't afford to go to Bangalore and other places. The college and Logic Computer did not fix any entry fees for participants which were really a good help for the poor and deserving rural students. In all 43 companies participated and good number of young graduates and Software Engineers have taken the best use of this Job fair.

I wish and hope the college will make this activity a regular feature in their Calendar of Activities. I wish the college management and Mr. Mahesh Bhat of Logic Computer all the best in the days to come and keep creating opportunities for younger generations.

Yours sincerely

To,

The Principal

KEB's First Grade Arts and Commerce

College, Dharwad.

This is the third Job fair being conducted by K E Board's First Grade Arts and Commerce College Dharwad in collobartion with Logic Computer Center Dharwad. I must Congratulate the Chairman and members of K E Boards for having extended full support to conduct this event successfully.

This time the Job fair invited education institutions also for their requirements of teaching and non teaching staff along with other companies which cater to the needs of all kinds of graduates technical and non technical jobs.

The efforts made by college and Logic Computer Center is commendable as they were able to invite different kinds of companies. A good number of enthusiastic young people participated in this Job Fair. This year the number of people registering Job fair was better than before.

The college had arrangements for all kinds of test and interviews in a very systematic manner. This time the graduates seeking jobs had come from different district of the state. This is really encouraging for the orgnisers who can plan better things in the days to come I wish all the best once again to all involved.

Yours sincerely
