**Spoken English
A Foundation Course – 2018-19**

Duration: 30 Days

Context:

The importance of English, both as an international language and as a link language, is now widely accepted. It is also well known that students belonging to the rural areas have problems in learning and speaking English. Recognizing this urgent need the Department of English has taken on the pilot project to conduct spoken English courses for final year B.A. & B.Com students in oral communication.

An effective training programme will prepare the students for job interviews, will elevate their confidence levels and enable them to use English whenever the situation demands

Objectives of the course:

1. The Aim of this course is to help students who have had a regional language as the medium of instruction at school & who have had little or no exposure to spoken English.
2. Encourage student to communicate in English.
3. Help the slow & shy learners.
4. The aim of this course is to help students to develop, their oral communication skills in English, for their future life, to get employment.
